**ADDITIONAL INFORMATION**

If awarded a scholarship, I would love to continue my softball career at a collegiate level. Softball has been an important part of my life for several years now. Softball has brought me invaluable relationships, life skills, and personal growth. It really is my happy place. If a scholarship is not feasible, I would like to join the Air Force and go to med school from there.

I am extremely family oriented and really cherish time spent with my loved ones. Their unwavering support and encouragement fuels my determination. I am forever grateful for their presence in my life, especially cheering me on at my games, anytime, anywhere.
